2018

Finding a Class

Our Sunday School members come together every Sunday morning to be equipped by teachers using the Bible, God's Word, as the ultimate strengthening and faith building tool. Community is shared and lives are changed in this small group setting.

If your next step is connection in a small group, use this booklet as a guide. Try out a class next Sunday, or stop by **The Next Steps Room** and discuss different class options with a pastor.
